Armstrong FCU Converts to Sharetec Core Processing

INDIANAPOLIS, IN -- Bradford-Scott Data Corporation, a distributor of the Sharetec System, announced that it has converted Armstrong Preferred Members Federal Credit Union, in Bourbonnais, IL. The Sharetec core data processing system is utilized by more than 300 credit unions nationwide.

A smooth conversion for Armstrong FCU to Sharetec with products like [Automated Processing](#), allowed their membership no disruption in services.

Annette Frizzell, manager of Armstrong Preferred Members Credit Union, said "The conversion team was instrumental in providing the credit union a pain free conversion. We are excited to have Sharetec's core system to assist us in growing our membership in Kankakee County."

"Having a solid conversion sets up the right expectations for the credit union and their members. Often it is seen with concern, but if the credit union delivers more than expected, the members are excited about the change," remarked Matt Isger, Regional Manager with Bradford-Scott.
