Platinum Federal Credit Union Implements Sharetec Mobile Banking.

INDIANAPOLIS, IN -- Bradford-Scott Data Corporation, a distributor of the Sharetec System, announced that Platinum Federal Credit Union, in Lilburn, Georgia, has implemented Sharetec Mobile Banking, along with a number of its other customers. The Sharetec core data processing system is utilized by more than 300 credit unions nationwide.

Kabir Laiwalla, CEO of Platinum Federal Credit Union, said "In the first week we were live with Sharetec Mobile Banking we had over 100 downloads on the Apple and Android platforms. We are pleased that our members like the apps enough to give them a 5 star ratings on both platforms."

"Our customers and their members are very excited about Sharetec Mobile Banking.. According to recent studies, in the past 12 months, the number of consumers conducting mobile banking rose dramatically, increasing from 19 percent of mobile consumers to 30 percent. Mobile banking, using an app specifically designed for their smart phone, text banking, or a mobile browser, is quickly becoming a standard banking offering. This allows credit unions like Platinum to be able to serve and reach their members wherever their mobile banking preference." remarked Kevin Kolar, Vice President with Bradford-Scott.

About Platinum Federal Credit Union

Platinum Federal Credit Union (www.PlatinumFCU.org) was founded in December 1999 to serve the financial needs of Jubilee Association members. Today, with over 5,900 members and assets in excess of \$35 million, it is among the fastest growing credit unions. PFCU offers a full line of financial products and services to its members through its branches in Georgia, Alabama and Florida.
