Debt Resolve and Bradford-Scott Partner to Deliver Online Collection and Recovery Solutions

INDIANAPOLIS, IN -- Bradford-Scott Data Corporation, an owner/distributor of the Sharetec System, announces that they have partnered with Debt Resolve, Inc., a leading provider of patented automated, cloud-based online negotiating systems.

Debt Resolve offers patented technology to resolve consumer debt quickly, privately and with dignity, online. It is both a technology services company and a leader and innovator in the asset receivables management industry. They develop and market patent-based web collection technology to the banking, non-bank finance, debt buyer, receivable management, utility and healthcare industries.

"The partnership with Bradford-Scott is an extremely powerful step for the implementation of the Debt Resolve solution for the member preferred credit union vertical," stated Michael Cassella, Debt Resolve's Chief Executive Officer. "The ability to offer the intergraded Debt Resolve / Bradford-Scott solution through the Sharetec Credit Union Software platform allows for a quick and complete, low cost member on-line account resolution, solution for Credit Unions."

Keane Kulak, Regional Director of Bradford-Scott, said, "Partnering with Debt Resolve will allow us to provide our members even more opportunity when it comes to integrated solutions. We are looking forward to making this technology available to our credit unions and their members."
