Mid-Illini Credit Union Has Chosen Sharetec

INDIANAPOLIS, IN -- Bradford-Scott Data Corporation, an owner/distributor of the Sharetec System, announced that Mid-Illini Credit Union, in Bloomington, IL, has selected Sharetec core system. The Sharetec core data processing system is utilized by more than 300 credit unions nationwide.

"After seeing how automated the Sharetec system was, our team was enthused. But seeing all the different ways the system can lower our hard dollar expenses and enable us to earn additional income was what separated them from the other data processing solutions." said Tom Stewart, CEO of Mid-Illini Credit Union.

Mid-Illini Credit Union will be adding Business Accounts, Mobile Deposit Capture, eNotices, Mobile Banking, and Tiered Courtesy Pay. Tiered Courtesy Pay is a change to traditional courtesy pay that creates additional and significant income for the Credit Union. They will also be adding the TCI Indirect Lending interface for their massive indirect lending business.

Matt Isger, Regional Director of Bradford-Scott, said, "Mid-Illini Credit Union's major needs being resolved were solutions around their progressive business accounts, streamlining the work involved around their robust indirect lending, and their ability to increase their ROA with our solutions."

This information contained in this press release is accurate at the time of publication. However, specified information may change over time.

About Mid-Illini Credit Union

Established in 1940, Mid-Illini Credit Union evolved from a handful of employee credit unions that joined together to provide top-rate financial services to thousands of local residents in Bloomington/Normal, IL. The Credit Union has grown to 7,000 members and over \$45 million in assets.
