

PRESS RELEASE

FOR IMMEDIATE RELEASE

Waco, Texas – December 7, 2012

Two Sharetec Core Credit Union's Implement Mobile Banking

Municipal Employees Credit Union of Oklahoma City and Central Communications Credit Union, Independence, Missouri have added Sharetec's Mobile Banking product to enhance the electronic capabilities for their members. Both credit unions expect to go live in the first quarter of 2013. Mobile Banking will also enable the credit unions to add Remote Deposit Capture to their product offering to members.

About Municipal Employees Credit Union

Municipal Employees Credit Union was established in 1934 by city employees and is open to everyone for membership. MECU serves over 11,000 members and has assets of more than \$100 million.

About Central Communications Credit Union

Central Communications Credit Union was founded in 1934 to serve the financial needs of area telephone employees. With over 7,000 members and assets of more than \$46 million, CCCU membership is open to anyone living or working in Jackson or Clay County, Missouri.

About Sharetec System

Headquartered in Minnesota, and sold through 4 owner companies, Sharetec is a leading provider of core data processing systems to credit unions. Sharetec, a provider of both in-house and service bureau solutions, has a customer base over 300 and has grown 64% since the year 2000.
